FitLine Heart Duo, Q10 and Omega 3+E

"I can say that my experience in this area is perfect. Thanks to taking Heart Duo (Omega 3 & Q10 combined) with the Optimal-Set, I feel great!"

Helena Fischer

"I am using FitLine products, including FitLine Q10 plus. My performance, my attitude to my daily tasks and to accomplishing them has developed positively. My colleagues at the office are surprised that I am always in a good mood. The FitLine product have convinced me and I can and will recommend them to everyone."

Klaus H. Ehlers from Bremen, Germany

"I always take the FitLine Omega 3 and FitLine Q10 Plus. Last Spring I joined a fitness class and I was the oldest participant there but no one noticed, because, thanks to FitLine, my general well-being, energy and endurance have improved significantly."

Ilse O., 86 years old

"Luckily my husband was able to convince me to take the FitLine Omega 3. Within a short period of time there were surprising successes, even though I always believed that I was fit and no major change was possible."

Silke F.

"I take FitLine Omega 3 and FitLine Q10 Plus. In addition, I go jogging five times a week for one an hour and a half. I finally feel fit and healthy again!"

Walter N.

"I take the Omega 3 and Q10 Plus. I really feel much fitter!"

Frank B.

"A short while ago, I also started taking Q10 with the FitLine Optimal-Set. Since using these FitLine products, I am totally fit and have good focus as well. I am bursting with good mood. Life can be so wonderful!"

Gabi F. Müller from Switzerland
